Preparing for retirement from Age 60 / A One-Day Seminar for Shaping Your Own Future

Step Confidently into a Self-Determined Future

Retirement is a major life change – affecting your leisure, relationships, finances, and role in society.

Some look forward to this new chapter, eager to enjoy the well-deserved retirement after a long and fulfilling career. Others face retirement with mixed feelings, as it can bring many uncertainties. This one-day seminar helps you prepare for retirement with confidence.

One thing is certain: retirement marks the beginning of a new chapter in life, which you can prepare for thoroughly. Doing so opens the way to a self-determined future.

This seminar provides the necessary space to engage with the upcoming retirement. Exchange experiences with peers, gain valuable insights, and explore your next life phase in a supportive, professional environment. Together, we'll set the course for your fulfilling post-career future.
